Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Applicant's representative Eugene Proulx was contacted (613-722-2051) on 11/21, 11/22 and 12/05. Each time a message requesting the status of the application indicating that the office had no indication of receiving any response to the action sent 05/13/2005 within the 6 month statutory period for response was left. To date, Applicant's representative has not responded to any of the voicemails left by the Examiner nor has any indication of a response been received by the Examiner in paper or electronic form. It is noted that the extension for Mr. Proulx was obtained through an automatic directory lookup from the main number. The voicemail owner was identified upon hearing the voicemail message..
